AMOUNT CARRIED FORWARD					

Bil. No.	Keterangan / Description	Unit Unit	Kadar Rate	Kuantiti Quantity	Jumlah /Amount (\$) (€)
AMOUNT BROUGHT FORWARD					
	Notes: 1. Watering • Regular watering during the first 3–6 months (everyday if no rain) and at least 2-3 times a week after 6 months. 2. Weeding & Mulching • Keep around 0.5m radius around the tree weed-free. • Replenish mulch every 3–4 months to prevent the growing of grass/weed around the tree. 3. Fertilization • Apply slow-release organic fertilizer every month • Avoid over-fertilization to prevent root burn. 4. Pruning • Remove dead, diseased, or damaged branches. • Avoid heavy pruning in the first year to allow establishment. 5. Pest & Disease Control • Regularly inspect for pests, fungal infections, or leaf damage. • Apply organic or chemical pesticide once a month or when there is sign of diseases or pest infection Remarks: Plant replacement (if any plant dies).				
TOTAL AMOUNT
